

Group One: Soviet Espionage in America

Part I: The Venona Project

Directions: Use the excerpts from the Venona Project documents to answer the following questions

	Klaus Fuchs	Alger Hiss	Harry Gold	David Greenglass
By what codename was your subject also known?				
What evidence exists that your subject was engaged in espionage against the United States?				
Over what period of time did this alleged espionage take place?				
Who, if anyone, was also involved in your subject's alleged espionage activities?				
What actions, if any, did the U.S. government take against this alleged espionage activity?
